### Mentors

If you are 21 and older, live in your own place (including with support) and want to make a difference, there is a Mentee for you!

### Meet Rachel

"Since working with my Mentor I have learned that I should not just buy everything. It is important for me to pay off my credit card bills and budget for big things."

### MENTEE STORIES

### Meet Braden

"The Peer Mentoring Program provides me with a great opportunity to talk with someone outside my family. Since working with my Mentor, I have started conversations with others. This has been an awesome experience for me and the relationship I have with my Mentor helps me build skills and confidence."
